# DriTac 7800 Supreme Green Premium “Green” Sound & Moisture Control Hybrid Polymer Wood Flooring Adhesive

DriTac 7800 Supreme Green is the latest and most ground-breaking multifunctional flooring adhesive solution introduced to the hardwood flooring industry. Supreme Green provides Unlimited Subfloor Moisture Control with No Testing Required and a Lifetime Warranty in writing!

DriTac 7800 is a single-component 5-in-1, premium “green” sound and moisture control hybrid polymer wood flooring adhesive that also acts as a crack suppressant. Extremely easy to clean off

the surface of hardwood flooring wet or dry, Supreme Green is a next generation installation solution that can also isolate old cutback adhesive residue.

Supreme Green offers tremendous product versatility. It can be used as a sound and moisture control system adhesive or provide a bond only option, simply by changing the required trowel utilized for each installation. DriTac 7800 provides tremendous multi-use functionality, allowing retailers to now stock one sku when 2 to 3 were required in the past.

Supreme Green offers five solutions in one 4-gal pail; a hybrid polymer wood flooring adhesive, concrete moisture control system, sound control system, crack suppressant and isolates old cutback adhesive residue.

DriTac 7800 contains zero isocyanates, zero VOCs, zero solvents and has been independently tested and certified by CRI for Indoor Air Quality. Supreme Green is manufactured in the USA and can be used to install multi-ply engineered plank, solid wood plank, bamboo flooring and more.
