- DriTac Eco-5500 Premium "Green" Pressure Sensitive Flooring Adhesive
- DriTac Eco-5200 Premium "Green" Pressure Sensitive Flooring Adhesive

All DriTac Luxury Vinyl Tile/Plank, Carpet Tile, Fiberglass Back Sheet Vinyl, VCT and Cork Tile flooring adhesives are warranted for a period equal to the flooring manufacturer's product warranty for adhesion to the sub-floor. This warranty is specifically for the installation of all dimensionally stable flooring products over approved sub-floors.

DriTac flooring adhesives must be used in accordance with DriTac's most recent installation instructions for the specific adhesive used. Refer to detailed instructions on the adhesive container for each DriTac adhesive to determine the appropriate suitability for installing specific flooring products. The warranty applies only to Luxury Vinyl Tile/Plank, Carpet Tile, Fiberglass Back Sheet Vinyl, VCT and Cork Tile floors installed according to the manufacturer's recommendations for approved sub-floors, pre-installation preparation, acclimation requirements, moisture and alkali limitations and job site conditions. The warranty applies for adhesion only; refer to specific product moisture warranties for information on moisture limitations where it applies.

DriTac flooring adhesives have proven to bond Luxury Vinyl Tile/Plank, Carpet Tile, Fiberglass Back Sheet Vinyl, VCT and Cork Tile very well to both concrete and wood subfloors. Although DriTac flooring adhesives are known to help minimize movement of most products, due to the adhesive's elastomeric properties, they will not stop shrinkage or increase the stability of any flooring product. All conditions and limitations are contained in the specific warranty for each DriTac product.

As buyer's sole remedy, in the event of a valid claim under this Limited Warranty, DriTac will pay for the reasonable cost of materials and labor, on a square foot basis, necessary to repair or replace the portion of the original installation that is proven to be defective. Under no circumstance will DriTac be liable for direct, incidental, consequential, special, economic, or other damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply.
