The Q-7's welded steel frame incorporates laser-cut precision, providing you with the strongest and most durable machine frame available. It features a circular cutting system and can fully process 15' wide goods. One person can unroll, inspect, measure, cut, reverse roll and wrap all your carpet and vinyl simply and accurately, saving you time and money!

New floors in the Atmosphere Collection

In response to market trends and consumer demand for more natural and organic looks, new White Oak Hush and Hard Maple floors in the Atmosphere collection are very close to natural wood tones. They showcase warm colors and variations of beige and caramel hues that blend beautifully in any decor. They are offered on Engineered and Solid, in a choice of widths ranging from 3 1/4" to 8 1/8" depending on the platform.

## DriTac Flooring Products

### DriTac 8408 PowerTread Rubber Sports Flooring

DriTac 8408 PowerTread is premium-grade 8mm rubber flooring for glue down and floating installations, available in 4'x25' rolls or 24"x24" interlocking tiles. Engineered for high impact sports flooring, PowerTread is made from up to 100% post-consumer waste, affording the green community the best choice for eco-friendly sports flooring projects. It offers superior durability and toughness, while absorbing high impact shock and sound. PowerTread is slip resistant and delivers maximum comfort underfoot. Offered in a wide variety of colors options, custom colors and thicknesses are available to meet the needs of any project. Coupled with PowerTread Spray Adhesive, PowerTread interlocking tiles allow DriTac to provide a fully warranted system from one trusted, single-source supplier.

## FCW SAMPLE BOX

Deliver your newest product samples into top retailers' hands right when they are making purchasing decisions. FCW will send an exclusive box of new product samples (see left for categories) to top retailers across the country along with your product information. After viewing hundreds of new products at winter shows, this unique opportunity puts yours front of mind with the retailer.
